

Advanced: Repair, Renew, Defend and Protect

Retinol Plus Smoothing Serum

An effective yet gentle anti-aging serum which assists in the achievement of smoother, firmer and more evenly toned skin. This product is an integral part of anti-aging regimens and has been scientifically formulated with; **All-Trans Retinol (Vitamin A), Caffeine, 90% Green Tea Polyphenols, and Hyaluronic Acid.** Available in 3x, 5x and 10x all-trans retinol versions to match individual skin types. New users should start with 3x and increase to 5x and higher as skin tolerates. *After cleansing, apply nightly at bedtime.*

Aloha Dermatology Eye-Luxe (with all-trans-Retinol)

Eye-Luxe is the advanced eye repair serum specially formulated for the delicate skin of the eyelids to help reduce the appearance of under-eye dark circles and under-eye puffiness, improve the appearance of fine lines and wrinkles around the eyes, increase the firmness and tightness of the delicate skin and to enhance skin texture and smoothness

Ingredients include: **all-trans-Retinol (Vitamin A), Green Tea 90% Polyphenols and Silymarin** (potent antioxidants), **Hyaluronic Acid** (powerful moisturizer), **Arnica** (to diminish bruising and discoloration), **Pinanediol and Camphanediol** (increase microcirculation to help reduce under-eye dark circles), **Dipeptide-2** (to stimulate lymphatic drainage), **Palmitoyl Tetrapeptide-7** (to increase skin firmness, elasticity), and **Emblica Fruit Extract** (to naturally brighten UV-damaged skin) *Apply once or twice daily to the skin around the eyes.*

Replenix™ Dermal Restructuring Therapy

Perhaps the most Potent Anti-Aging Moisturizing Compound of its kind...

This rich cream formulation cosmetically enhances rebuilding of the skin from beneath and protects the renewed skin from further stress and damage. Designed with the latest advances in **Peptide, Antioxidant and Skin Hydration Technology**, it stimulates dermal collagen and provides intensive skin moisturization. Product highlights:

Palmitoyl Pentapeptide-3: A synthetic protein fragment of the portion of Collagen I which enhances the synthesis of collagens I and III as well as fibronectin.

Green and White tea polyphenols and potent antioxidants to protect from environmental damage **Sodium Hyaluronate** for intensive hydration and plumping of the dermis

Ceramide 2 for lipid replenishment and maintenance of the barrier function .

LYCD: A skin respiratory factor that promotes skin healing through the uptake of oxygen.

Apply once or twice daily or as directed by your physician.

Replenix™ Facial Firming Therapy

Immediate tightening and toning while promoting collagen synthesis... This elegant serum relaxes fine lines and wrinkles and prepares the skin for new collagen. Contains 3 peptides that work synergistically with one another to relax facial muscles, stimulate collagen synthesis and strengthen the dermis. Product Highlights:

Palmitoyl Tripeptide-3: to combat wrinkles and rebuild dermal matrix and support new collagen growth

Acyl Dipeptide-1 Cetl Ester: to relax fine lines and calm and soothe the skin

Macrocyctis Pyrifera Extract for immediate tightening and toning.

Acyl Hexapeptide-8 (Arginaline 20%): to cosmetically relax wrinkles and fine lines.

Apply once or twice daily or as directed by your physician.
